

SUMMARY OF ACTIONS from meeting held on 6 February 2025			
Minute	Action	Who	Update
3.	SSSI Report - It was agreed to consider reducing numbers in the future but to get more up to date SSSI report evidence for this. The last condition assessment was undertaken in 2012. Ideally these should complete every 5 years.	MSN	Confirmed that Natural England doesn't have the resource. BBOWT reports will be interim guide
4.	Salt Licks - There was a question around whether there are salt licks on the common and TH will investigate.	TH
